

## Psi Chi Mentorship Program Fall/Winter 2023-2024

Thank you for your interest in the Psi Chi Mentorship Program. The mentorship program is an opportunity for you to connect with individuals ahead and behind you in your program, and will therefore offer an opportunity to seek and provide guidance to individuals within Psychology.

Please take the time to fill out the application below so that we may make the best matches possible. Feel free to exclude or include any information you would like. You may withdraw from the program at any time. Your information will not be shared with anyone outside the matching team. There is an option to have your name and contact information shared with your match. We look forward to learning and working with you.

Completed forms can be emailed to our Mentorship Coordinator, Jackson Fisher, at [jmfishe1@lakeheadu.ca](mailto:jmfishe1@lakeheadu.ca) or directly to Psi Chi at [psichi@lakeheadu.ca](mailto:psichi@lakeheadu.ca). If you have any questions, please feel free to contact Psi Chi at any time.
